

From the Commodore

Dear members,

Welcome to the 2018/19 sailing season

This season should be an interesting one for the club members as we endeavour to get to more regattas around the state, as is shown in our program.

The committee is having a good look at the culture of the club and is hoping to drive membership numbers up through the youth sailing program and encouraging new members from our community.

The training program will continue on Sunday mornings at 9.30 and it is hoped that some of the children from last years program, will start racing in the Microns. Children interested in learning to sail are most welcome to attend.

A big thank you to Phil Robin for his help running the learn to sail program last season. Phil is unable to help me this season, so I am asking for help with this program on Sunday mornings, 9.30 -11.00.

Our sailing format may change slightly with new novelty races being held to encourage more members to sail. Our intention is to use the cat fleet to race with crews, mostly made up from children in the club.

The culture of the club is changing to a family orientated club and this may change some of the events and activities that we do at the club. There will be a bigger influence from the children and I see this as being a positive for the club.

The lake has plenty of water at present, so get those yachts organised and let's try to get as many members on the water as possible.

Ken Robinson
Commodore

Lake Boga Yacht Club Committee 2018-19 season
